taest.club bandhunt

(logo+ unit)

no real fred fan left behind (h/l)

Subhead: **A digital game of hot & cold.**
Body copy: Drag the handheld detector. Follow the hits and the heat. Keep your eyes and ears open. Find the last seen location of fredagain India tour bands.

CTA - Grab headphones & start hunting.
Best for laptop use

top left

taest.club bandhunt (live unit)

Lyric clue / listen closely: (As it is, except remove the 2nd and 3rd bullet point)

Bottom left

as it is + add
follow taest.club ig/wa

Cursor replaced
by handheld detector with spinning
needle between hot and cold.

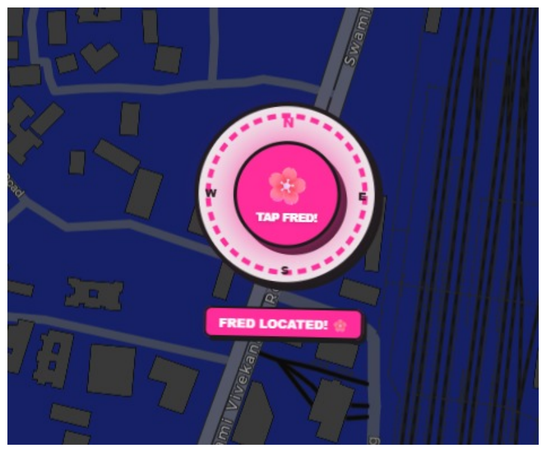

Map colour to be made lighter blue as per the ref image attached above
Map background and roads to be made white to make it look brighter

top right

instead of drop date oct 18, write
“searching last seen location of fredagain India tour bands”
remove the name of the song.
change beat heat to heat radar
add one more similar scale titled hits radar

the discovery page

(need to design the page when the radar turns red and music is loud and location is found)

Detector turns red
and cursor freezes. Can’t move it anymore
Music reaches its peak volume

Notification
"Band was last seen 15m ago on the packed Andheri platforms.

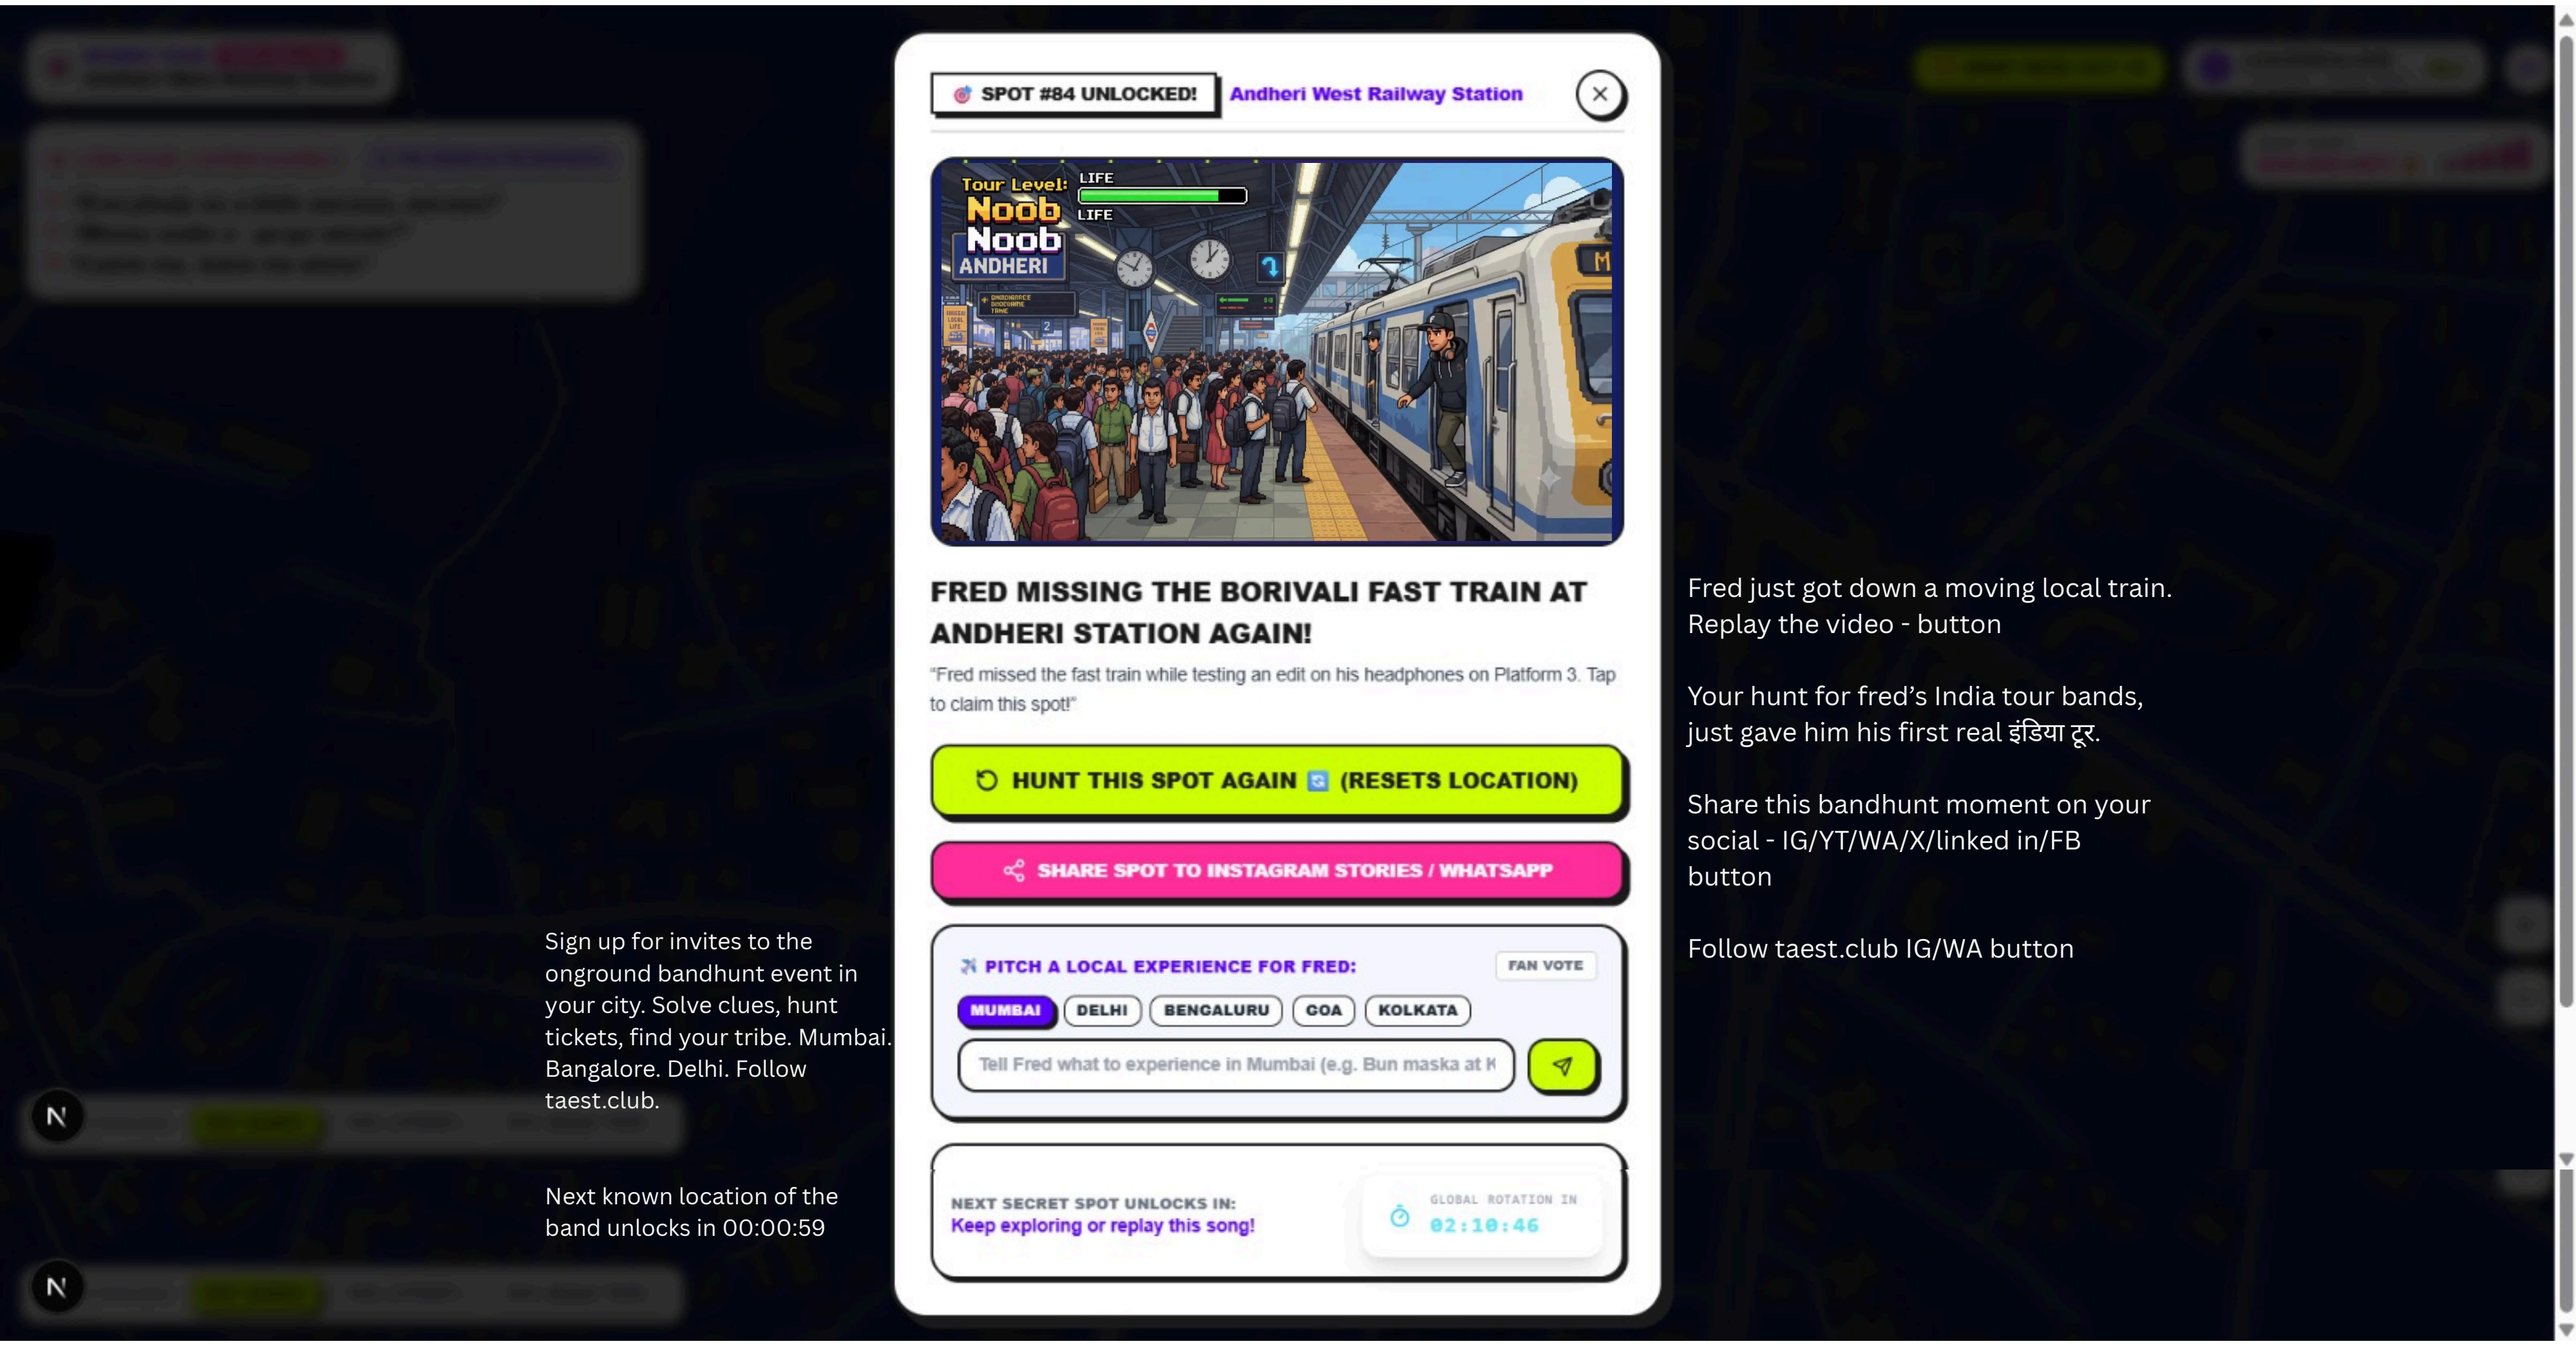

Tap to give Fred an इंडिया टूर before his India tour."
